

**THE ROGER & GLORIA JONES
CHILDREN'S CENTER
FOR SCIENCE & TECHNOLOGY**

We have been asked to provide a booth for Silly Science Sunday at the Oh WOW Science Center 15 Central Square, Youngstown, OH 44503 from 11:00am to 4:00pm on September 18th. We need help on that Sunday for either operating radio or talking to kids and their parents about ham radio. Setup would be at 8:00 AM but the kids and parents won't be there until 11:00am. So don't be afraid to come on out and give a hand and show Oh WOW how dedicated we are to ham radio. It would be great even for just an hour, if you could come out and set up or break down, work the radio, talk to kids about ham radio, or talk to the parents about ham radio

If you can help contact Scott KE4UHC 330-333-2761.
