

OCF Antennas

Both designs were recently field tested at OSPOTA and the car show/centennial event at Boardman Park. Contact Mark, K8MSH at mh@zoominternet.net. These are new antennas, several of each available.

40-6 m 4 band coverage, 150 w PEP. 66 ft. total length. \$35

80-6m 7-band coverage, 150 w PEP. 132 ft. total length \$47
