

# Hilltop Elementary School ISS Contact and Watch Party

Hilltop Elementary School is scheduled to contact the International Space Station on Monday February 9th at 1:44pm. Seating in the gym is extremely limited so attendance is by invitation only. The MVARA received 6 invitations and the education committee met and selected Scott KE4UHC, Frank WB8YHD, Dave KF8BFD, Rich KB8GAE, Don W8DPG, and Dave KE8UWV to represent our club at this event.

We are please to announce that we will be hosting a watch party for those who could not be at the school. Everyone is encouraged to come to the GOP Headquarters, 8381 Market Street, Boardman, Ohio, on February 9th at 1:00pm and have some fun together watching the kids talk to the astronauts. It should be a wonderful time. Many thanks to Mark W4ZIP who passed up an opportunity to be at the school so he could make the GOP HQ available.

If you can't make the watch party, you can watch a live stream of the event here.
